

# Newsletter

Greetings,

We're delighted to introduce to you the XIUS newsletter - a quarterly feature which aims to bring you up to speed on what's happening at XIUS, insights on its products, news & information from the telecom industry, latest developments & trends, and more. We hope you enjoy our first edition, and we look forward to delivering value to you with each newsletter.

## XIUS New Mantra: Connected To Ambition

For over two decades, XIUS has been privileged to serve all our clients and bring our innovation and technological prowess to the forefront. As the industry evolves, it's time for us to grow too.

We're delighted to introduce our brand's new motto:  
**CONNECTED TO AMBITION.**

Our customers' growth is what fuels our ambition. We want to be partners in your journey as you chase new goals. XIUS looks to work closely with you to find innovative solutions that are efficient and effective. We aim to make your vision a reality - and that's what CONNECTED TO AMBITION means to us.

## Robert & John Limited to Launch groundbreaking MVNO called Liv.ing

**BREAKING

**XIUS - Robert & John's  
Partnership Powers  
Liv.ing MVNO**

Robert & John, the promoter of groundbreaking, impactful and innovative solutions such as Roducate and Ductour, is thrilled to announce the upcoming launch of its Mobile Virtual Network Operator (MVNO), Liv.ing, with system support from XIUS, the world's leading service provider.

The strategic alliance comes off the back of a competitive bid process in which XIUS emerged successful, and marks a bold step in redefining the telecommunications ecosystem, transcending traditional telephony to include an expansive suite of services that will enrich the lives of everyday Nigerians.
